paul: Recommend discussing this with MnM about storing non-ASCII chars in URIs

David made a motion to approve, EricP seconded
Approval of minutes

Paul: Ran out of time. Let's approve them on the next call.

gaurav: We also should have included a link to TSMG's minutes, where they approved the IRI Stem inclusion in the Terminology website: https://confluence.hl7.org/display/TSMG/2022-08-08+TSMG+Agenda+and+Minutes

ADJOURNED

Minutes manually created (not a transcript), formatted by scribe.perl version 192 (Tue Jun 28 16:55:30 2022 UTC).
