## Summary

- 1) **Leadership Update** (Siama R., MITRE) (30 mins)
  - HL7 Confluence Page Update
    - The Meeting Index subpage (<https://confluence.hl7.org/display/PC/Meeting+Index>) is now sortable by date. Hover over the Meeting Date column and select the up arrow (ascending order) or down arrow (descending order) that appears on the right side of the column header.
    - Dates in the Meeting Date column are editable. Do not click on or change the date in the first column of the table.
  - Connectathon Updates
    - Registration for the September HL7 Connectathon is open (<https://www.hl7.org/events/fhir/connectathon/2020/09/>) and Early Bird rates are available until Friday, August 21, 2020. After registering for the connectathon, complete the HL7 Pre Connectathon Survey on the HL7 Connectathon landing page to indicate which track(s) you would like to attend. Group members should sign up for the PACIO-eLTSS track, and may sign up for other tracks as well.
    - Several PACIO members are participating in separate meetings outside of the weekly PACIO subgroup meeting to generate sample data for the use case being presented during the September HL7 Connectathon.
    - The group may review additional Connectathon details on the HL7 Confluence page (<https://confluence.hl7.org/display/FHIR/2020-09+Connectathon+25>), including schedules, announcements, links to important information, and specific details about the PACIO-
