

PACIO

PACIO Weekly Meeting

Time: Wednesday, January 27, 2021, 1:30 pm - 3:00 pm EST

Location: ZoomGov Meeting

Meeting ID: 160 985 6747

PACIO Project Website: www.PACIOproject.org

PACIO Project HL7 Confluence: <https://confluence.hl7.org/display/PC/PACIO+Project>

This meeting is being recorded. In all discussions, members should be aware that meetings are recorded and include representatives of companies that may compete with one another in the marketplace. This working group is a public forum and therefore all information shared will be publicly available.

Summary

1) Leadership Update (Dave Hill and Siama Rizvi)

- January HL7 Connectathon:
 - PACIO leadership is participating in the HL7 working group meetings this week and gathering feedback on the PACIO Project work presented during the January HL7 Connectathon.
 - The PACIO-eLTSS Post-Acute Care Transition Summary Track report out can be found on confluence (<https://confluence.hl7.org/display/FHIR/2021+-+01+HL7+FHIR+Connectathon+Track+Report+Outs#id-202101HL7FHIRConnectathonTrackReportOuts-PACIO-EltssPost-AcuteCareTransitionSummary>).
 - PACIO leadership will provide a report out of the track highlights as well as HL7 working group feedback during the February 3, 2021 meeting.
- Speech-Language Pathology (SLP) Use Case: Jamila Harley, Associate Director of Health Care Services in Speech-Language Pathology at the American Speech-Language-Hearing Association (ASHA) is the SLP use case lead. Email Siama Rizvi (rizvi@mitre.org) or Jamila Harley (iharley@asha.org) if you have any questions or would like to participate in developing this work.

2) Assessment Timepoint/Care Coordination Resource Update (Chris Pugliese)

- Chris shared a list of definitions for structuring the reassessment timepoint concept and asked for PACIO work group feedback. The work group reviewed the referenced field, whether it should be required or optional, the FHIR field definition, and the PACIO definition for multiple fields

PACIO

including Status, Class, Priority, Episode of Care, Service Request, and Service Type.

- Chris will share the PACIO workgroup feedback with the smaller working group responsible for developing these definitions. The smaller working group will discuss the following topics in more detail and report back to the PACIO workgroup during upcoming weekly meetings:
 - Considerations for base encounter resource guidelines specific to post-acute care.
 - Clarify parent vs child relationship between admission encounter and profile resource for the readmission resource.
 - Determine who owns the Care Coordination resource and how the information will be shared across disparate systems.

3) Cognitive Status IG Balloting Reconciliation (Caleb Wan)

- A subset of PACIO workgroup members have been meeting weekly to resolve the issues documented during the ballot process. The workgroup proposed disposition in response to nine ballot comments, all of which are minor edits such as grammar, spelling, or further clarification.
- The PACIO workgroup unanimously voted to accept the nine proposed ballot comment responses on the Cognitive Status IG and advance the responses to the HL7 Patient Care Working Group for block vote.
- PACIO leadership will present the next set of proposed dispositions in response to the remaining ballot comments during upcoming PACIO Weekly Meetings.

4) Documentation of Decisions and Action Items

- The PACIO work group unanimously voted to accept the nine proposed ballot comment responses on the Cognitive Status IG and advance the responses to the HL7 Patient Care Working Group for block vote.

5) Adjourn
