2) PACIO Project Key Points and Action Items (Dave Hill)

- Advance Directives (ADI) is taking a brief hiatus from its weekly subgroup meetings to focus on the heads down terminology work resulting from the STU-2 environmental scan.
- Call for pilot participants:
 - If interested in participating in a pilot for Personal Functioning and Engagement (PFE) use case, please contact Karl Naden knaden@mitre.org
 - We are also actively looking for pilot participants for Re-assessment Timepoints. If interested, please email info@pacioproject.org
- Polled participants regarding the content of the monthly meetings are helpful and if they request any changes.
 - The consensus was that the monthly PACIO meetings are useful, and they provide the right amount of detail for a high-level summary of the project.

3) Walk on topics

- None.

4) Next Meeting
