2) PACIO Project Key Points and Action Items (Dave Hill)

- Below are time-sensitive action items and discussion from the meeting not included in the presentation slides (linked above.)
- Call out for participants. If you are a case manager who would like to contribute to use case development or data categorization for cognitive and functional status, please contact us info@pacioproject.org
- A community member asked if we had given thought to how data will be exchanged with payers for prior authorization or quality reporting.
 - Currently we have not focused much on the payer side but are open to discussing it.
- A community member asked if Advance Directive will cover guardianship issues.
 - A guardian can be specified using the FHIR resources “Related Person” or “Healthcare Agent”.
- Thank you to Maria D. Moen for PACIO poster presentation at American Medical Directors Association (AMDA) annual meeting March 9-12 in Tampa.
- HIMSS23 Global Health Conference & Exhibition April 17-21, 2023 in Chicago. CMS will hold a listening session.

3) Walk on Topics
