- **Additional PFE Supplemental Guide discussion:**
- Proprietary assessment tools create challenges for interoperability. We can advocate for open assessments, but it may be an uphill battle.
- Summary scores for proprietary tools can be useful, but only if clinicians have the context to understand what the summary score means.

4) Walk on Topics from Members

- The PACIO Leadership team will be compiling a list of opportunities to promote PACIO in 2023; will share and request input from the community.

5) Adjourn
