Welcome to the FHIR Community

Connectathons

The HL7 FHIR community is an open, welcoming community that respects all members.

The HL7 FHIR project is committed to providing a community that welcomes new members and provides a pathway to education about FHIR and full integration into the community.

Connectathons are a key part of our community engagement!

2023 - 09 Connectathon 34

- Connectathon Details & Registration
- Previous Connectathons
**Information for Implementers**

### Getting Involved
- Submit a Change Request
- Implementer Support
- Blogs
- FHIR Tooling Ecosystem

### Using the FHIR Validator
- FHIR Liquid Profile
- FHIR IG PackageList doco
- FHIR Package Cache

### Testing
- Testing Platforms
- Public Test Servers
- Using the FHIR Mapping Language
- Public FHIR Validation Services
- Public Test Servers

### FHIR Implementation Guide
- Registry
- R2-R3 Transformations
- R3-R4 Transformations
- Migrating OID to FHIR
- Open Source Implementations
- Intervention Compatibility

### CDS Hooks
- SMART Web Messaging
- SMART on FHIR server implementations
- FHIR IGs from other organizations
- Open Source Implementations
- Endpoint directory implementations

### SMART on FHIR server implementations

### FHIR Tools Registry

**Information for Specification Developers**

### FHIR Implementation Guides
- FHIR Implementation Guides - Planned Balloting/Publishing
- FHIR Implementation Guide
- Publishing Requirements
- FHIR IG QA process
- IG Templates
- Implementation Guide Parameters
- IG Publisher Documentation
- FHIR Spreadsheet Profile Authoring
- Profile Tooling

### Processes
- Webinar - FHIR Implementation - Navigating HL7
- HL7 Process for Publishing a FHIR IG
- Process for Publishing a FHIR Implementation Guide (for non-HL7 IGs)
- FHIR Implementation Guide Process Flow
- Submit an IG Proposal
- IG Proposals
- Profile Proposals
- IG Publication Request Documentation
- Maintaining a FHIR IG Publication

### FHIR Core Specification
- Submit a FHIR Resource Proposal
- Resource Proposals
- Resource Types
- Resource Considerations
- Resource Authoring
- FHIR Spreadsheet Authoring
- Guide to Designing Resources
- Resource Considerations
- FHIR Build Process
- FHIR Core FMM Support - Link to QA Spreadsheet
- Conformance QA Criteria

### Links included in Core Spec
- Registering Code Systems
- NPM Package Specification
- Digital Signatures
- Intervention Compatibility
### FHIM Specification
- FHIM Specification
- FHIM Overview
- FHIM Maturity Model
- Continuous Integration Build
- FHIM Release #4 with technical errata
- Directory of published versions
- Known Issues with the published FHIM Specifications
- R2-R3 Transformations
- R3-R4 Transformations
- DSTU2
  - DSTU2 Ballot to Final breaking changes
  - DSTU2 Technical Correction 1 Tasks

### Governance
#### Committees
- **Governance Groups**
  - FHIM Management Group (FMG)
  - Modeling and Methodology (MnM)

- FHIR Infrastructure Work Group
- FHIR Community Process
- FHIR Product Director Page
  - FHIR Product Director Position Description
  - Publishing terminology to the FHIM Ecosystem
  - Posting the FHIM specification on hl7.org
  - tx.fhir.org Documentation
- FHIR IG QA Monitoring
- FHIR Profile and IG Balloting

### FHIM Events
- FHIM Community Events
  - Add new FHIM Community Event
- Clinicians on FHIM
  - DevDays
    - FHIM Cheatsheets

- Atlanta FHIM IG Development Training Workshop - September 2019
  - Individuals Interested in FHIM IG Development
  - FHIM IG Workshop FAQs
  - FHIM QA Conformance Tracker
  - FHIM Starter
  - FHIM Teaching
  - Fundamental Principles of FHIM
  - FHIM IG Review
