Participants in the CodeX Community of Practice

The Community of Practice (CoP) aims to improve cancer care and research by gathering health systems to develop best practices for implementing mCODE and use-case-based extensions into production EHRs and other systems. There is no cost for participation in the CoP’s monthly calls.

Organizations participating in the CoP to date include:

- 2bPrecise
- AbbVie
- ACI Group
- AEGIS
- Agency for Healthcare Research and Quality
- Alberta Health Services
- Allegheny Health Network
- Alliance Data Innovation Lab
- Alliance for Clinical Trials in Oncology
- Altarum
- Altera
- Ambry Genetics
- American Academy of Dermatology
- American Academy of Hospice and Palliative Medicine
- American Academy of Neurology
- American Association of Physicians in Medicine
- American Cancer Society Cancer Action Network
- American College of Rheumatology
- American College of Surgeons
- American Medical Association
- American Medical Informatics Association
- American Society of Clinical Oncology
- Massachusetts Health Data Consortium
- Mathematica
- MaineHealth
- Mayo Clinic
- MCG Health
- McGill University
- McKesson
- McKesson US Oncology Network
- Medical College of Wisconsin
- Medical Marketing Economics
- MedInfodoc LLC
- MedLever
- MEDITECH
- Memorial Sloan Kettering Cancer Center
- Mettle Solutions
- Microsoft
- MiraMedix, LLC
- Missouri Baptist Medical Center
- MITRE Corporation
- mTuitive, Inc.
- Multiple Myeloma Research Foundation
- Myriad Genetics
