

CodeX Home

Objective:

CodeX is non-profit initiative to implement and expand upon mCODE in EHR and other systems around the world.

Interested in more information? Click [here](#) to learn more about mCODE and [here](#) for further CodeX information.

Site Updates:

With CodeX just beginning to gather members and further establish itself, pages on this site will be built and updated in the coming months. Such pages include but are not limited to:

- Meeting Index
- CodeX 2019 Calendar
- CodeX Public Implementation Guide
- CodeX Steering Committee Members
- CodeX Operating Committee Members
- CodeX Use Cases
- CodeX Implementation Guide Credits
- CodeX Conference Call Center Instructions
- More to come!
