

Early 2019SEP Announcement of Formation of Consensus Groups

Health Level Seven International® invites you to take part in the early formation of consensus groups for balloting HL7 candidate standards and documents prior to the upcoming September 2019 ballot cycle. The candidate standards and other documents described in this announcement are expected to ballot prior to HL7's September 2019 Working Group Meeting (WGM). Comments received from consensus group members will be addressed at that WGM running September 14-20, 2019 in Atlanta GA USA.

Consensus Group Sign-Up Open Date: Monday, May 20, 2019

Consensus Group Sign-Up Close Date: Thursday, June 20, 2019

Important Note: Consensus group signup closes when ballot voting begins.

Consensus group enrollment will be available from a date at least four weeks preceding the ballot vote opening date and will continue until the opening of voting. While the exact dates are dependent upon individual ballot open and close dates, in general the consensus group signup period dates are as follows:

Ballot Open Date: Friday, June 21, 2019

Ballot Close Date: Monday, July 22, 2019

Exceptions for a specific ballot are listed with that ballot description.

Please be aware that these dates may not be accurate for all consensus groups. To sign up, point your browser to [the Ballot Desktop](#). Important Note: Consensus group signup will close when ballot voting begins. This is also the final date non-members can sign up for Non-Member Participation in the ballot.

Ballot Listing

This section details the candidate/draft standards and other documents for this ballot cycle. Please note that the following details about specific items are subject to review by the HL7 Technical Steering Committee:

- Approval of all projects initiating any ballot item
- Approval of titles for new candidate and draft standards and other documents
- Approval of new candidate Standards for Trial Use
- Approval of ballot level for those items moving to Normative ballot

Any changes from the initial details in this announcement will be identified in the ballot announcement document released when this ballot cycle opens.

Currently known changes are available in the [Update to Ballot Announcement for September 2019 Ballot Cycle](#)
