

Consortium for Global e-Health Interoperability Home

This space created for documenting discussions and plans related to a collaboration between HL7 and HIMSS regarding FHIR.

Please check out [HL7 Documentation & Help](#) to start creating and adding content.

Please email webmaster@hl7.org with any questions.

Next Steps for the CGIH Task Force:

1. Seek approval for Statement of Principles from HIMSS, HL7 and IHE Boards (Ideally by Oct. 11)
2. Incorporate statement of support already received from ONC and the Netherlands, and Begin to socialize (open call) among other external government and non-government parties who may be interested in joining the Consortium.
3. Prepare and execute a Communications plan, including press releases, marketing materials and other collateral.
4. Begin work on a governance model
5. Begin to flesh out more detailed plans for the Consortium.
