FinancialAttachment

Owing committee name

Financial Management

Contributing or Reviewing Work Groups

- Claims with Attachments
- Patient Administration

FHIR Resource Development Project Insight ID

994

Scope of coverage

The FinancialAttachment resource identified a suite of supporting information for an identified Claim where the information is provided as references or provided herein.

RIM scope

HealthDocumentAttachment (classCode=OBS, moodCode=EVN)

Resource appropriateness

This is the submission of information, (images, x-rays, documents, reports) in support of a submitted processing request. The information may be contained within or referred to by the FinancialAttachment.

Expected implementations

This is a key resource expected by most Healthcare billing implementations where Health care products and services are provided.

Content sources

Existing normative V3 and V2 specifications, Canadian Specifications

Example Scenarios

Resource Relationships

Refers to a Claim resource. Is referred to by a StatusResponse.

Timelines

Ready for DSTU 2
