CIMI - January 2019 WGM Attendance Log

Attendees

Update this page to log your attendance. Log into Confluence (you should already have created an account for yourself). Add or correct your name and affiliation (who you represent) and check the checkbox for those sessions in which you participate. This log was created for tracking the attendees at an HL7 Working Group Meeting and is not optimized for the many weekly and every-other-week scheduled teleconferences.
