

# 2020-02-12 Weekly Meeting Agenda and Minutes

## Agenda

Steps to publication for PHD implementation Guide

Review of FHIR at Sydney Work Group Meeting

## Attendance

Stefan Karl  
Brian Reinhold  
Martin Rosner  
Paul Schluter  
Javier Espina

## Meeting Notes

John reported on Device and FHIR related activities at the FHIR Connectathon and HL7 Work Group Meeting in Sydney at the beginning of February

The group discussed the status and plans for getting the balloted FHIR Personal Health Device Implementation Guide to official HL7 publication - Brian and Martin will collaborate on submitting the publication request form (see link)
