Minutes Approved as Presented

The detail proposed agenda is:

- Record this call
- Agenda review
- Future meetings: Cancel meetings on January 30, February 6
 - January 23 call - Stan will not be able to attend
- Discuss and review examples of the options for representing BodyStructure/BodyLocation - Nathan, Claude, All
 - Not ready. Plan to do this topic next week.
- We missed the PSS deadlines for any of our PSSs for voting in main
 - Asking for exceptions for vital signs, wound assessment
 - We will delay ballots on lab profiles and pain assessment to September
 - We are now required to have a Connectathon and we are making plan for how to do virtual Connectathons
- Any updates on HL7 WGM in Sydney
- Future agenda items
 - "Mixins" or "Fragments" that would be common building blocks for provenance, roles, participations, etc.
- Any other business
