

DoF 2019-07-31 Weekly Meeting

Agenda

Check-ins:

- FHIR Connectathon Plans, Q & A

Attendance

Beth Pumo, Brian Reinhold, John Dyer, John Rhoads (notes)

Discussion

"Euro" Connectathon just set up unofficially to get an opportunity for folks, chiefly from Europe, who can't be there on Saturday and Sunday to try out and demo their capability

FHIR Connectathon Webinar - simply to draw people into coming and playing on the Device Track

- Brian showed a draft slide presentation on Personal Health Device FHIR Implementation Guide
 - Emphasizes the parts of the process and data users most likely to actually use, as opposed to putting the data from the device onto the FHIR server which is more specialist work
