

# Architecture Review Board

Welcome!

This is the home page for the Architecture Review Board (ARB).

## Mission

*The HL7 Architecture Board seeks to achieve a coherent architecture for HL7 that defines the relationships across and between the HL7 work products, processes, and organizational structure and how they relate to other standards. This architecture includes the Business Architecture by which these work products are produced, managed and governed.*

*The HL7 Architecture Review Board (ARB) encourages participation in its work. Interested parties should attend ARB meetings.*
