Goal

Owning committee name
Clinical Quality Information Work Group

Contributing or Reviewing Work Groups
- Clinical Decision Support Workgroup

FHIR Resource Development Project Insight ID
1125

Scope of coverage
Resource representing the purpose toward which one or more activities are directed, such as the outcome of diagnostic, therapeutic, and educational management of a patient's health problem.

RIM scope
Lloyd to provide

Resource appropriateness
Goal is proposed here as a standalone resource rather than being required to be a part of a CarePlan. Goals may exist independently of the care plan.

Expected implementations
Veteran Health Administration Enterprise Health Management Platform
OpenCDS
Socratic Grid

Content sources

Example Scenarios
- Achieve smoking cessation
- Reduce body weight to 165 lbs

Resource Relationships
- CarePlan

Timelines
May 2015
