

ECWG CC Minutes 4-25-2019

- Working on CLINFHIR Hands On Workshop tutorial slides.
 - Screenshots are great- add textboxes saying "ClinFHIR modules" on top of every module image
 - Choose what servers to use correlating to the slide that mentions which servers to use
 - Double check if the ClinFHIR screen prints up to date
 - Enlarge the screen for ClinFHIR screenshots
 - The STU-3 FHIR link points to STU-4 (not STU-3) add STU-4 link
 - In slide deck: Instead of selecting "scenario builder"- select: "adding structured data to a scenario"
- MAY meeting:
 - Begin requesting rooms now for the fall
 - Harmonization meetings for the end of June
- No call next week (May 2nd) - Jim and Laura at the AMIA 2019 Clinical Informatics Conference
