Agenda

1. Report Personal Health Devices Implementation Guide status (Reinhold / Rosner)
2. Continue design discussion for implementation of alerts/alarms (Rhoads)

Attendance

Koichiro Matsumoto
Brian Reinhold
Uwe Meyer
Stefan Karl
Paul Schluter
Ana Kostadinovska
Martin Rosner
John Garguilo
John Rhoads (presiding co-chair, notes)

Discussion Notes

Brian reports: in preparation for ballot prior to May WGM

- All changes to Personal Health IG requested in comments and accepted by the group are implemented. These were mostly clarifications of links
- Changes can be seen in build.fhir.org/ig/HL7/PHD
- Negatives retracted

Discussion started on alert/alarm implementation design, but had to be abandoned due to excessive audio problems on the conference call link
