When should I use a Jira Ticket and when should I use an action item in Confluence?	If you are changing an artifact, involving multiple parties, or making a multi-part change, a Jira issue is appropriate. If you are tasking items from a Conference Call or meeting an action item in Confluence is appropriate.	Mar 05, 2019 10:54	
How do I edit a page when the edit button is missing?	For one of the following reasons you do not have permissions to edit the page: 1. You are not logged in. 2. You are editing a page that is only for co-chairs or other to edit	To request an account, please go to <a href="https://confluence.hl7.org">https://confluence.hl7.org</a> and select the blue "Request an Account" button.
