

# HL7 Work Groups & Projects

Work groups are the bodies within HL7 that take on responsibility for developing and maintaining standards. They are where the "work" of HL7 gets done. HL7 has a large number of work groups covering the spectrum of the healthcare space. All work groups are open to participation by anyone with an interest in their content.

Work Groups		Product Families	
Administrative Steering Division	<a href="#">Electronic Health Records</a>	<a href="#">CDA</a>	
	<a href="#">Financial Management</a>	<a href="#">FHIR</a>	
	<a href="#">Imaging Integration</a>	<a href="#">V2</a>
