

HL7 Work Groups & Projects

Work groups are the bodies within HL7 that take on responsibility for developing and maintaining standards. They are where the "work" of HL7 gets done. HL7 has a large number of work groups covering the spectrum of the healthcare space. All work groups are open to participation by anyone with an interest in their content.

| Work Groups | |
|----------------------------------|--|
| Administrative Steering Division | Electronic Health Records |
| | Financial Management |
| | Imaging Integration |
| | Orders & Observations |
| | Patient Administration |
| | Patient Empowerment |
| | Payer /Provider Information Exchange |
