

# Ballot Reconciliation Calls for the CARIN IG for Blue Button®

The Ballot Reconciliation calls for the Consumer Directed Payer Data Exchange (CARIN IG for Blue Button®) will take place during the Monday Health Plan calls. The calls will occur every Monday between 2:30-3:30 pm ET. In addition, a Thursday call has been added from 11-12 pm ET.

Please join from PC, Mac, Linux, iOS or Android: <https://leavittpartners.zoom.us/j/93372147617> or Dial: 1 312 626 6799 // Meeting ID: 933 7214 7617  
Dial string (for smartphones): 13126266799,,,93372147617

## CARIN BB RESTful API

### RESTful Capabilities by Resource/Profile

To fetch supporting Reference Resources, payers SHALL support resource Reads (as the most common approach / lowest denominator) and an optional (MAY) support for includes, which would be implemented by health plans that want and are able to optimize access to their servers.

HL7\_BallotCommen...ted\_Blocks1b.xls

**Ballot Comment Amalgamation Macro Spreadsheet**

To assist Committee Co-chairs in summarizing ballot comments, an amalgamation utility with macros to combine all submitted comment spreadsheets is provided for ballot reconciliation. The zip file [here](#) contains a spreadsheet and instructions for performing this task.
