Management	Review ANSI Anti-Trust Policy	 <p style="text-align: center;">Antitrust Policy</p> <p style="text-align: center;">ANSI Antitrust Policy</p> <p>ANSI's goal is to develop and maintain standards and specifications that best address the needs of our stakeholders and ensure the highest quality standards. This includes the development of standards that are open, transparent, and non-discriminatory. ANSI's mission is to develop, promote, and maintain voluntary consensus standards that enhance the safety, health, and well-being of consumers and the public. ANSI's standards are developed through a consensus process that involves all interested parties. ANSI's standards are developed through a consensus process that involves all interested parties. 	Ballot and Connectathon Schedule	<ul style="list-style-type: none"> February 2020 ballot cycle is complete Ballot Reconciliation is complete Applying Change to implementation Guide 	
	IG Update	<ul style="list-style-type: none"> Applying changes to Implementation Guide <ul style="list-style-type: none"> Using standard HL7/Da Vinci template Change log will continually be updated New Intermediary Requirements 	
	HL7 FHIR Connectathon - Sept 9-11	<p>2020-09 Connectathon 25</p> <p>2020-09 DaVinci Notifications</p> <ul style="list-style-type: none"> Who plans to participate? <ul style="list-style-type: none"> Team to reach out to Centene re: UC Davis work and other members Healow Insights thinking of participating - have reached out to payer partners, but still tentative Adding Provenance when Intermediary acting as sender Will record a track orientation session Question re: track scenarios <ul style="list-style-type: none"> Notification scenarios focus on admit, discharge, and ER visits. eCW is outpatient EMR- can we include some scenarios to transfer notifications re: medications or any other categories? <ul style="list-style-type: none"> Healow/eCW will be receiving the notification Can test receipt of ADT notifications from the Reference Implementation Event would allow for medication scenario if there was someone to create the alerts - pause on this for now given where we're headed once IG is published 	
	Related - Subscriptions R4 Backport IG Update	<ul style="list-style-type: none"> In development for Jan 2021 Ballot CI build in development: https://build.fhir.org/ig/HL7/fhir-subscription-backport-ig/ Consider adding to next iteration of Notifications IG as alternate workflow <ul style="list-style-type: none"> Wait until after Jan 2021 Ballot to ramp up activities to represent ADT Notifications in Subscriptions in case there are more changes through ballot process 	
	Next Steps - Implementer Support	<ul style="list-style-type: none"> Da Vinci focusing on Implementer Support for the remainder of the year 6 guides going into publication Where do we go from here once Notifications IG is published? <ul style="list-style-type: none"> Turn this call into Implementer Support call and hold once or twice per month <ul style="list-style-type: none"> Answer/discuss implementer questions Decide if there's something that needs to be tested in Connectathon, or something that needs to be elaborated on, and determine if IG needs to be updated in next iteration Determine if it would be helpful to create additional examples Create an FAQ page in Confluence where people can post their questions in advance of the call, post supporting examples, etc. <ul style="list-style-type: none"> Probably need to include any questions from Zulip as well Track Subscriptions in next FHIR version - any needed updates to Notifications IG Start monthly calls after Connectathon is over Chat Comment: <i>This is Ray Duncan at Cedars-Sinai. We've implemented the draft Notifications standard (as best we understand it) to receive encounters from Anthem for one of our ACOs. It's in production and it seems to be working well. Happh to share that experience with anyone who is interested. We realize we may have to tweak it after the ballot.</i> <ul style="list-style-type: none"> Planning to share during a future Community Forum Connect Alexandra Goss and Ray Duncan
