- 2020-11 FHIR DevDays Conference Amsterdam
- 2021-01 HL7 WGM Henderson Nevada

Agenda:

1. Social interaction: Each participant to share a positive moment/thought in these concerning times
2. Review feedback from FMG on the new Jira PSS - specifically in respect to the Patient Identification PSS
3. Tracker Items
4. Co-chair re-elections

Planned Tracker Items:

Minutes:

Reviewed the HL7 co-chair meeting with the group

Line shared the HL7 [Work Group Call Schedule - May 2020](#) this calendar is to put shared events onto, only 1 there at the moment.

Moving over onto the Zoom video conferencing platform, should trial this at some point - coming soon.

There was a COVID 19 Community Project presentation, Iryna will share the link

tracker https://gforge.hl7.org/gf/project/patient-admin/tracker/?action=TrackerItemEdit&tracker_item_id=22127&start=0 needs to be migrated into Jira (checking that it is covered)

Brian will chase up where the co-chair election process is up to.

 **FHIR-26965** - Apply request-replaces standard extension to Appointment RESOLVED - CHANGE REQUIRED persuasive with mod Cooper Thompson
/Brian Postlethwaite: 5-0-0

 **FHIR-22696** - Appointment participant required valueset contradicts the field definition RESOLVED - CHANGE REQUIRED will pick this one up again next week.

Future Agenda Topics:

May 2020: Encounter breakdown review - attachment on this page [Encounter, Condition, Procedure, Diagnosis ...](#) (if time permits)
