

# Work Group Call Schedule - May 2020

This was created as a place to house Work Group/cross group call schedules in light of the cancelled WGM. You can see which joint meetings had been planned in the [San Antonio WGM Agenda](#).

You may want to review the [San Antonio WGM Agenda](#) for the joint meetings your Work Group was supposed to be hosting.

Contact the co-chairs for that Work Group(s) to find a suitable day/time to hold your joint meeting. The meeting can be scheduled for any time and doesn't have to coincide with the dates the May 2020 WGM was scheduled for.

Create your meeting in the Conference Center (<http://www.hl7.org/concalls/index.cfm?action=home.welcome>) and include all relevant WG List Serves (Hosting WG plus invited WG(s)).

Add an event to the Work Group Meeting calendar in Confluence with the teleconference information.

If you expect your meeting to have more than 100 participants, contact [Dave Hamill](#) or [Mary Ann Boyle](#)
