

Individuals Interested in FHIR IG Development

Location: Atlanta Marriott Marquis hotel (same as the HL7 Working Group Meeting occurring September 14-20)

Date of Training Workshops: September 11-13 2019

Training will occur 1-5pm on Wednesday and 9-5pm on Thursday and Friday

The FHIR Implementation Guide (IG) Workshop is for a series of three restricted, limited space workshops targeting IG publishers and new ballot reviewers. All attendees will be nominated in advance by the FHIR Core team.

The FHIR Core Team hasn't identified a list of invitees yet, but if you'd like to suggest names to be included to the waiting list, just let us know and we'll inform you when more details are available.

Entries below should select the appropriate workshops desired:

Workshop 1: Implementation Guide Creation (Wednesday afternoon and all day Thursday)

Workshop 2: Terminology considerations (Friday morning)

Workshop 3: Implementation Guide Ballot Review Best Practices (Friday afternoon)
