

# HL7 Work Groups & Projects

Work groups are the bodies within HL7 that take on responsibility for developing and maintaining standards. They are where the "work" of HL7 gets done. HL7 has a large number of work groups covering the spectrum of the healthcare space. All work groups are open to participation by anyone with an interest in their content.

Work Groups		Product Families	
Administrative Steering Division	Electronic Health Records	CDA	
	Financial Management	FHIR	
	Imaging Integration	V2	
	Orders & Observations		
	Patient Administration		
	Patient Empowerment
