Methodology	Request to cosponsor FAIRness for FHIR Project	<p>Giorgio requested us to cosponsor the project.</p> <p>Ron: This project had been spoken to at the International Council. The whole initiative looks very interesting. They seem to be looking for us to look at how it's structured and if there is anything that needs to be considered from an architecture or BAM perspective. Zoran agrees that it looks really interesting.</p> <p>Jean: He brought this to cross group projects and we pushed it away. Not sure what ARB would add.</p> <p>Decision to defer the decision until Giorgio can tell us what he's looking for from ARB.</p> <p><input checked="" type="checkbox"/> Anthony Julian will invite Giorgio to our next call to discuss FAIRness for FHIR cosponsorship</p>
