**Da Vinci**

**Objective**

Da Vinci is a private sector initiative that addresses the needs of the Value Based Care Community by leveraging the HL7 FHIR platform. Join listserv on welcome page.

Join us for the monthly public Community Roundtable

- **Next session:** August 25th:
  - Practical Approaches to Achieving Nationwide FHIR Adoption:
    - ONC FAST: National Level Solutions to Common Barriers Are Closer to Reality Than Ever
    - CMS Payer-to-Payer Mandate: A Working Approach to Compliance
  - Registration details available on calendar.
  - Missed a session? Prior session recordings available on the video presentations page.

**Industry Updates**

Da Vinci HIPAA Exception [here](#)

Da Vinci Response to CMS Reducing Burden NPRM [here](#)

**Patient Access API (includes Payer-to-Payer) - New Q&A Page [here](#)**

Da Vinci is seeking answers to open questions and clarifications needed on the implementation and operational needs of the upcoming CMS Patient Directed API Rules. Find initial questions and corresponding answers shared from our colleagues at CMS.

**Project Resources**

- Da Vinci [Progress Update March 2020](#) flyer including use case maturity
- HIMSS20 [Da Vinci in Action](#) with clinical scenario and member use case table
- Operating Principles developed jointly with [Da Vinci Operating](#) and [Clinical Advisory Council](#)

**Videos**

- Da Vinci Video Presentations
  - Please post your videos here.

**Press Releases**

- Regence’s first-in-the-nation health care collaboration improves medication safety
- HL7 International and the Da Vinci Project Announce New Clinical Advisory Council
- HL7® Launches FHIR® Accelerator Program
- Member Announcement Press Release
- Casenet Press Release
