**HL7 Work Groups & Projects**

Work groups are the bodies within HL7 that take on responsibility for developing and maintaining standards. They are where the "work" of HL7 gets done. HL7 has a large number of work groups covering the spectrum of the healthcare space. All work groups are open to participation by anyone with an interest in their content.

**Projects & Initiatives**

**FHIR Accelerator Projects**
- Argonaut Project
- CARIN Alliance
- CodeX
- Da Vinci
- Gravity Project
- Public Health
- Vulcan Accelerator
- FHIR Accelerator Confluence Space

**Initiatives**
- Consortium for Global e-Health Interoperability
- Clinical Information Modeling Initiative
- Joint Initiative Council
- Health Standards Collaborative

**HL7 Projects**
- HL7 JIRA/Confluence Project
- Project Scope Statements
- UTG Prototype
- ONC Grant Projects
- Product Line Architecture
