**Mission**

The mission of the Patient Care Working Group (PCWG) is to define the requirements, design/validate standards specifications and implementation guides for the capture, communication, and use of information related to the management, execution and quality of care provision.

**Conference Calls**

The Patient Care Work Group (PCWG) holds daily conference calls (Monday to Thursday) on projects and topics that are important to PCWG missions, goals and objectives. Notices for conference calls are sent out to the HL7 Patient Care mailing list. Participants interested in participating and contributing are encouraged to sign up as PCWG and listserv members.

Please note that from 14 April 2020, PCWG conference call details have changed to below:
