Welcome!

HSC Team! Please use this space to collaborate on joint project activities. You may create pages, post existing standards, and work through proposals at your convenience.

Currently, editing on this page will be restricted to HSC representatives. While other users of HL7's Confluence will see content here, anonymous users (those without HL7 Confluence accounts) will not be able to access this space or its pages.

For any help using Confluence please reference HL7 Documentation & Help or email webmaster@hl7.org
