About Human and Social Services WG

Mission and Charter

Mission
The mission is to provide a space for human services sector stakeholders and HL7 experts that focus on non-clinically oriented social risks and needs to define requirements, design, and validate HL7 Implementation Guides for interoperable human services data exchange.

Generic DMP for all work groups can be found here: HL7 - Decision Making Practices Documents | HL7 International

5.1 Defining Quorum
Quorum for the HSSWG requires that two co-chairs and at least 2 other Work Group members be present, where no single organization of party represents more than a simple majority of the voting WG members present.

SWOT Analysis

A S.W.O.T. analysis represents the Strengths, Weaknesses, Opportunities, and Threats. This is a living document or process, and really represents something that an organization or work group must complete regularly if they are to benefit from the insights it may provide.
